

Institutional Distinctiveness 2017-18

A. S. College, Deoghar, a constituent unit under the S.K.M University, Dumka started its journey towards the path of excellence

In the year 1969 under the able guidance of Dr H. Narayana, the founder principal of the college. It was started as an evening college and gradually with the increase in the number of students, it became a day college. At present A S College, Deoghar has two separate blocks where teaching of arts, commerce and science is parted with able and proficient teachers. Apart from the teaching of general courses, it runs the Department Of Management and Computer Science. The BBA (H) and BCA (H) Departments were founded in 2008. Here, students can take add-on courses in computer applications, ASP&SM, and Library Science. The college received authorization from the MHRD, New Delhi and the UGC to begin the Community College Scheme in 2015. The Diploma in Hospitality Management Programme was launched under this plan, with a maximum of 50 students per semester. The students of first batch got their Diploma in December 2015 and are placed in different hotels of Jharkhand and Bihar. This is the only college under S K.M University Dumka where the community college has been running successfully. The college has an identity of an educational hub as far as vocational course are concerned the department of education is also running here quite successfully, where students get their B.Ed degree.

Teaching of commerce is also imparted here with utmost sincerity and care. Students participate with all enthusiasm in each and every unit (academic as well as extracurricular activities) of the college. Additionally, local people also use college campus for running, walking, and play grounds for sports every day for their development. Therefore, we can say the college provides quality education and opportunities for intellectual and emotional growth through different programmes which are relevant and responsive. The college has an identity of an educational hub as far as vocational course are concerned. The department of education is also running here quite successfully, where students get their B.Ed degree. PG course in commerce is also imparted here with utmost sincerity and care. Students participate with all enthusiasm in each and every unit (academic as well as extracurricular activities) of the college. Additionally, local people also use college campus for running. Walking. And play grounds for sports every day for their development. Therefore, we can say the college provides quality education and opportunities for intellectual and emotional growth through different programmes which are relevant and responsive to the needs of the rural and economically backward society of this region of the state.

1. The performance of the institution in one area distinctive to its priority: college gives priority to promote education for poor students and girls' students of rural background. The rural background students can't afford their education in the urban colleges
2. Our college provides academic as well as to encourage them to participate in extracurricular activities (NSS, NCC and sports) also.
3. The performance of the institution in one area distinctive to its thrust: it is our fortunate that college has well qualified faculty members in different departments they have taken their degrees from the premier institutes.
