### **6.1.1 The vision and mission of the institution**

#### **VISION**

The vision of Thakur Anukul Chandra comes into reality when his able son Sri Sri Borda took the initiative to establish a College named A.S. College; Deoghar. The College actually started to function in its initial stage as an evening college with a small number of students. The blessing of Thakur Anukul Chandra and Lord Shiva and the far sight of Sri Sri Borda, the college soon made his presence felt in the society. The number of students increase and the teaching in the faculty of Arts and Commerce started with new hope. The vision which inspired our founder Principal Dr. H. Narayan and dedicated teachers of our college has been sustained in the mission that grooms young energetic students into responsible, moral and proactive citizen of the country. Motivated and supportive by the then management faculty and all the stake holders of the institution the receptive teachers achieved their desired goal. The College is aware of the importance of the curriculum and the faculty members try their best to implement curriculum, prepared by the University. The faculty members give their proposal to the academic council of the University to make the curriculum more updated.

Apart from class room teaching, there are 3 units of NSS in the college, which monitors to develop morality and ethical values among the students. The college also conducts NSS campus in the college campus to motivate the students with the teaching of Mahatma Gandhi & Baba Saheb B.R Ambedkar. The unit of NSS which was withdrawn long ago has been allotted again. A.S. College, Deoghar gets regular feedback from Parents, employees to keep the quality of teaching high.

A.S. College, Deoghar is to enlighten as many students as possible through the higher education. The college welcomes deserving students from all niches of the society especially from rural and backward middle classes. It always makes a sincere effort to develop a healthy outlook and positive thinking by promoting ethical and moral values, professionalism and scientific approach among the students. The students are being encouraged to take the responsibility and make them aware to

create a morally sound society. They are taught to create harmony and unity in the society.
