#### **7.3.1 the performance of the Institution in one area distinctive to its priority and thrust**

*A.S. College, Deoghar, a constituent institution of SKMU Dumka, began its journey toward excellence in the year 1969, under the skilled direction of Dr. H Narayan, the college's founding principal. It began as an evening college and gradually became a day college as the number of students increased. Currently, A S College Deoghar has three separate blocks where capable and experienced instructors teach Arts, Commerce, and Science. Apart from teaching general courses, it also administers the departments of management and computer science. In 2008, the departments of BBA (H) and BCA (H) were established, as well as the teaching of add-on courses in computer application and library science. The College received permission from the MHRD and the UGC to start a Community College scheme in 2015.*

*Under this scheme, a Diploma in Hospitality Management was started with a maximum intake of 50 students in each semester. The first batch of students received their diploma in December 2015 and were placed in various hotels throughout Jharkhand and Bihar.*

*This is the only College under SKMU Dumka. Where the community college has been a successful educational hub as far as vocational courses are concerned, the department of education is also running here quite successfully, where students have received their B.Ed. Degree P.G teaching of commerce is also imparted here with almost sincerity and care, and students participate with full enthusiasm in it.*

*Self Finance Vocational Courses in Computer Application, Business Administration, Library and Information Science, Hospitality Management and Education have given a distinct status to the college in the backward region of Santal Parganas of Jharkhand State. We are the only college in this region successfully running and giving wings to realize dreams of hundreds and thousands of students.*
